Terms and Conditions

Payment: Payment may be made by cash or credit card and is required before treatment start date.

Cancelled cycles: Refunds will be made for cycles abandoned before egg collection, insemination or thawing of embryos. The amount of refund will be determined by the stage of treatment reached.

Donor Sperm obtained from other centres: Donor sperm may be obtained from Sheffield and other centres; there will be a charge to cover the purchase and carriage of samples. A storage fee will be charged.

Egg donation: Patients will be required to pay part of their fee (£620) on registration to the programme. This is to cover the costs of screening and preparation of the donors. **This is non-refundable.**

Counselling: Counselling is a complementary service provided for patients undergoing or who have had treatment at Jessop Fertility.

Surrogacy: The total cost for host surrogacy will depend upon individual circumstances. Patients will be required to pay part of their fee (£620) on registration. **This is non-refundable..**
